A NOTE ABOUT HOUSE SOUND SYSTEMS

House audio systems at the Marriott consist of ceiling mounted speaker systems. Ceiling systems are designed to evenly distribute sound throughout the venue. They typically do not have the power or dynamic range needed for musical performances. Please note that the house house sound systems cannot be used for musical performances.

All house sound systems have a single input. Multiple audio sources will require a mixer.

House sound systems are no charge when using our audio gear.

Professional Audio Systems

We have a huge inventory of professional audio gear. We can meet your needs from a bullhorn to a complete concert sound system. Please contact your event manager or AV representative for a quote.

Audio Patch Fee

Use your equipment through the house sound system.

Audio patch fee is per day/per airwall section in venues that are composed of multiple sections of a ballroom.

\$ 50.00

PC or IPOD Audio

Connect your audio source to the house sound system for a presentation or background music.

\$ 50.00

Popular Lighting Equipment

We have an outstanding inventory of the latest in high powered professional stage lighting. We can provide static lighting for video and moving lights for the dance floor. We light concerts and tradeshow. Please contact your event manager or AV representative for options and quotes. Please visit our website: www.axxisinc.com

ARRILITE 600/3 Video Lighting Kit

Professional Video Lighting Kit. (3) 600 watt units with stands, barn doors, and screens.

\$ 125.00

Ground Supported Podium Lighting Package

(2) 14' Light Trees - Total (4) 575 watt Ellipsoidal Spotlights + Dimmer and Control.

\$ 450.00

Uplights:

We have many different styles and types of uplights. Please call for more information.

STAGING AND DÉCOR

We own more than 15,000 square feet of staging products. If you need a stage taller, larger, or a different shape than what the hotel provides, please contact your event manager or AV representative for a quote. We are a full service scenic shop. We provide hard-walled scenic sets, Austrian drape, and unlimited custom set designs. Please visit our website: www.axxisinc.com

Dressed 4x4 Stage Riser Section

Specify height (1,2,3,4 feet tall). Often used as a riser for followspot, band sound systems, and/or décor.

\$ 100.00

8x8 Drum Riser - 1' or 2' tall

Dressed 8x8 riser. Does the band require a drum riser on stage ?

\$ 200.00

Dressed 4x6x2' tall Camera Riser

Two piece riser. Camera is isolated from the operator.

\$ 150.00

16' Tall Heavy Velour Drape Systems

\$15 per linear foot - 10' sections. Hardware and labor included.

\$ 15.00

Video Gear

Analog vs Digital, Hi definition vs Standard Definition, 16:9 vs 4:3 aspect ratio... Confused ? Don't be.. Call or write and we'll be glad to explain the difference in cost, size, and quality.

PRESENTATION SWITCHERS

Multiple Video Sources ? Display any one of them at the push of a button.

Folsom Presentation Pro Switcher

Video Cameras/Camcorders

Digital Video Camera technology changes too fast to list ! Call for details.

SCREENS AND PROJECTORS

Prices include labor

The right sized screen for your event depends on the venue, the audience, and your budget.

The size of the screen and the image quality needed dictate the power and cost of the projector.

Please contact your event manager or AV representative if you need help choosing the right equipment.
